

SAMACHIFY

FROM FARM TO PAN

**Region-specific fresh meal
ingredient packs – preserving the
authentic Tamil home-cooked
flavor.**

- **VISION :** To redefine traditional Indian cooking by blending freshness, convenience, and authenticity – making nutritious home-cooked food accessible to every household.
- **MISSION :** To simplify the cooking experience through fresh, pre-cut, and hygienically packed vegetable kits – sourced responsibly from local farmers, crafted with care, and delivered with freshness.

Monetization Strategy- 2025-26

- **Direct Sales:**

**Via own app, website & selected retail partners
(Primary revenue driver)**

- **Subscription Plans:**

**Weekly / monthly vegetable packs at discounted pricing
(Improves demand predictability & reduces wastage)**

- **Value-Added Combos:**

**Ready-to-cook veg packs bundled with spice mixes
(Higher margin SKUs)**

- **Delivery Fee:**

**Nominal doorstep delivery charge on D2C orders
(Covers last-mile cost, not a profit center)**
